

## BLUETOOTH RECEIVER

The bluetooth receiver plays and allows control of playback of music received from smartphones, tablets and other bluetooth devices as well as calls to be received. To do so, it is necessary to pair the bluetooth device with the bluetooth receiver on the **WIFI-POWER** speaker.

- 1) Switch the speaker on.
- 2) With the bluetooth option activated in your smartphone or tablet, select the **WIFI-POWER** device in the list of bluetooth devices. At that moment, your smartphone or tablet will be paired with the speaker.

If you switch the **WIFI-POWER** device off and then switch it on again with the bluetooth option activated in your smartphone or tablet, it will not be necessary to pair it with the speaker again.

**NOTE:** this device features NFC technology, by holding the NFC sensor on your smartphone close to the NFC sensor on the **WIFI-POWER**, the bluetooth pairing will take place automatically.

## Wi-Fi CONNECTION

The Wi-Fi connection allows playback and control of music playback from all the devices connected to the same Wi-Fi network.

It is necessary to connect **WIFI-POWER** to the required Wi-Fi network. To do so, the free application MUZO, available for all mobile devices, can be used (for more information please visit our website [www.fonestar.es](http://www.fonestar.es)).

If you switch the **WIFI-POWER** speaker off and then switch it on again in Wi-Fi mode, it is not necessary to connect it to the network again.

## TECHNICAL SPECIFICATIONS

	WIFI-POWER
<b>CHARACTERISTICS</b>	Portable wireless multiroom speaker. Wi-Fi and bluetooth with NFC connection. Plays music from smartphones, tablets and other bluetooth devices. APP for control of Wi-Fi audio streaming, playlists, online music services and internet radio. Aux input. Hands-free calling in bluetooth mode. Transmission distance 10 m. ## WARRANTY

This product has been tested and has passed the corresponding quality control prior to being put on the market.

**FONESTAR** guarantees the suitability of the product for its specified use during a period of 2 years from the delivery date and commits itself to repair or substitute the goods as expressed in the Spanish law "La Ley General para la Defensa de los Consumidores y Usuarios, Real Decreto Legislativo 1/2007 16 Noviembre.

The lack of conformity in the first six months after purchase, due to a manufacturing defect, will be rectified with no more than showing the proof of purchase. After six months **FONESTAR** reserves the right to demand proof of the product being sold with that problem.

This warranty does not include damage produced by: inappropriate use or negligence, accidents, worn out parts due to use, breakages, burns, spilt liquids or other substances, excessive humidity, battery deterioration and internal manipulation of the device, the software or its components by unauthorized persons, and in general any use that is unrelated to the nature and purpose of the product.

If any service is needed during the warranty period because of lack of conformity, please contact the business or distributor where the product was purchased in no more than 2 months after being conscious of the problem. It is only necessary to contact **FONESTAR** if it is impossible or imposes an undue burden for them to solve it.

To benefit from this warranty it is necessary to show the proof of purchase with the date clearly visible, with no corrections or crossing out.

This document adds information, and never decreases the consumers' rights, which in all cases are protected by the Spanish law "La Ley General para la Defensa de los Consumidores y Usuarios, Real Decreto Legislativo 1/2007 16 Noviembre.

**FONESTAR** is a member of ECOEMBAJES ESPAÑA, S.A. "ECOEMBES", with number 03497 and all our products carry the symbol, backed by our membership and subscription to the above mentioned organization with the recycling and subsequent management of our packaging.

**FONESTAR** is registered in the RAEE (Registro de Aparatos Eléctricos y Electrónicos) in a special section REI (Registro de establecimientos Industriales), with the entry number 001851.
