

WP-38K

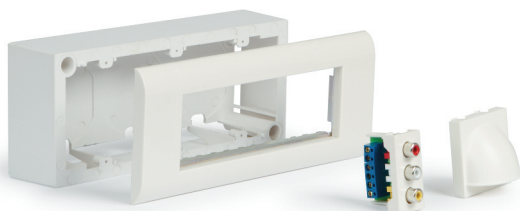

CONNECTION PANELS: 4-CONTACT FEMALE LOUDSPEAKER CONNECTOR

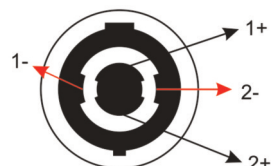

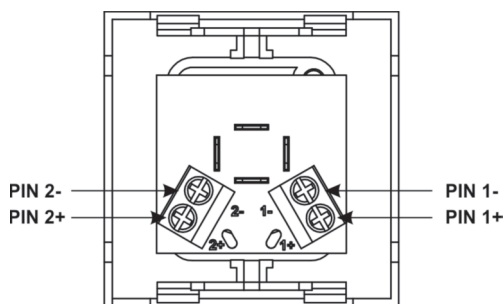

DESCRIPTION

The **WP-38K** connection panel has been designed for use in audiovisual installations, classrooms, conference rooms, etc. As it is a modular connection panel system, it can easily be installed thanks to the rest of the components in the **WP series** such as surface boxes, frames, chassis and blind covers.

FONESTAR offers a comprehensive range of connectors to cover all installation needs.

INSTALLATION

WARRANTY: 2 years against any manufacturing defect, accompanied by proof of purchase. Does not cover damage caused by subsequent breakages.

FONESTAR is a member of ECOEMBALAJES ESPAÑA, S.A. "ECOEMBES", with number 03497 and all our products carry the symbol, backed by our membership and subscription to the above mentioned organization with the recycling and subsequent management of our packaging.
